Complimentary Airport Shuttle Daily (6am until 10pm)

Pick-up: Upon arrival, go to the baggage claim area and collect any luggage (if you call prior to collecting your luggage, the operator will only inform you that before she sends the driver, you must collect luggage and call back). Use the hotel and car rental white courtesy phone to dial the Chaparral Suites Resort. This rings directly to the hotel operator who is in contact with the driver. While on the line, the operator will notify the driver and get an estimated time of arrival to the airport. It can take anywhere from 1 minute to 1 hour for the driver to pickup. The operator will then give instructions as to where you need to go to meet the driver, depending on the terminal you are at.

Back to the airport: The shuttle back to the airport leaves every hour on the hour by request beginning at 6am until 10pm. We suggest that at check-in, you inform the front desk agent when you need to go back to the airport. The agent will sign you up for that time on your departure date.
